

WHY DO SO MANY EMPLOYERS USE THEPEOPEOPLE.COM?

BECAUSE THE PEO EXPLORATION JOURNEY:

- CAN BE SO VERY FRUSTRATING
- SO VERY TIME CONSUMING
- SO MANY FORMS

IN SHORT, WE SOLVE THAT FOR YOU.

THAT IS WHY WE
ARE SO SUCCESSFUL

Why?

BECAUSE We aren't one PEO trying to sell you only our PEO.

BECAUSEWith THEPEOPEOPLE.COM you don't have to talk to 5 different sales people who all tell you something different and have 5 different forms.

BECAUSE.....We represent **every major certified PEO** and will tell you the truth about them and our only interest is finding the right one for you – with the best team for you.

BECAUSETHEPEOPEOPLE.COM is one of the oldest PEO brokers in the United States.

BECAUSEIf a PEO isn't the right solution we will tell you that and then help you find the correct solution to accomplish your goals.

For instance, maybe a just implementing a great hr/payroll system that integrates with your other systems and insurances is better and less expensive. We explore that as well as part of the process.

BECAUSEYou need to fill out only one set of forms and tell one trusted source, your goals ,believe us– otherwise you get different **RFP** forms from everyone and tons of follow up questions from each vendor.

BECAUSETHEPEOPEOPLE.COM has an approved universal form with the PEO'S

BECAUSE..... Our buying power with the PEO'S gets you lower prices and more services then you could by going direct.

BECAUSETHEPEOPEOPLE.COM will make sure that after we narrow down your options- that you will learn all you need to know about the finalists. This of course includes making sure you get apples to apples benefit plans and other services comparisons

So often this industry provides bait and switch options to prospects in their proposals– cheaper but just not the same. We make sure that doesn't happen.

BECAUSE We help with both the implementation (getting you the right team – very important), and with help post implementation.

We also continue to be your future access to top management if and when you need it.

BECAUSE A PEO can sound like a complicated product and service bundle but it's beautifully uncomplicated when done correctly.

Everything is all in one place, easy dealt with and designed that way to fit together well.

This is the case only if your goals are understood properly. And we do that. We make sure you don't make a mistake in the selection and contracting process.

WHY IS THE PEO'S SELECTION PROCESS IS SO FRUSTRATING !
